<b>POLICIES</b>	
<b>Attendance policy</b>	The student should attend 100% of practical and 60% of lectures. In case of skipping classes, the student must work missed class in accordance with the schedule of exercises, approved by the department in the presence of the relevant.

<p><b>Assessment policy</b></p>	<p>Assessment of knowledge is carried out on a 5-point system. The maximum number of points that a student can get in practical classes during the academic year - 100. The number of points of the student is calculated by the formula 100 multiplied by the arithmetic mean and divided by 5. For writing a medical history are assigned the following points: "5" - 5 points, "4" - 4 points, "3" - 3 points, "2" - 0 points. Protection of medical history: "5" - 5 points, "4" - 4 points, "3" - 3 points, "2" - 0 points. In general, for the history of the disease the student can get a maximum of 10 points, the minimum required score of 6. For testing, the student receives a maximum of 10 points. The minimum number of points that a student must receive is 6 points. The maximum number of points for the current educational activity of the student is 120. The student is admitted to the differentiated test if he scored at least 72 points for the current educational activity: 60 points during practical classes, 6 points for medical history and 6 points for testing. Practice-oriented test is conducted according to the schedule at the end of the course. The credit is credited to the student if he scored at least 48 points out of 80. Incentive points are added to the assessment of the discipline for the implementation of an individual research project points). The total score in the discipline may not exceed 200 points.</p>
<p><b>Deadlines and course retake policy</b></p>	<p>In case of unsatisfactory result, the student has the right twice to rearrange the differentiated test - for the first time to the teacher, appointed by the head of the department, the second - the commission, which created by the dean's office. The transfer of credit is carried out by a separate schedule approved by the dean's office. Students, who did not appear for the test without a good reason are considered those that received an unsatisfactory grade. Student refusal of performing a control task is certified as unsatisfactory reply. The student has the right to receive an explanation of received assessment.</p>
<p><b>Assessment appeals policy</b></p>	<p>The results of the module and semester assessment are subject to appeal. A student must lodge an appeal to the director/dean on the day of certification or after announcing the results, but no later than the next working day. The appeal commission is established by the director/dean's order. The appeal commission's decision may change the grade in case of violations revealed during the attestation.</p>

<b>Academic integrity policy</b>	<p>Participants must complete all tasks according to the course requirements independently. Participants are not allowed to cheat during the written module or summative test. The assignments should not contain plagiarism, facts of fabrication, falsification, cheating. Manifestations of other types of academic dishonesty determined by the Academic Integrity policy are also unacceptable. If a teacher reveals violations of academic integrity by students during the course, the former have the right to take one of the following actions: - to reduce points by up to 40% for practical assignments; - to give recommendations for improving and resubmitting mandatory homework assignments with the reduction of points by up to 25%; - to not accept mandatory homework assignments without the right to resubmit; - set a date for retaking the written module or the summative test with a reduction of points by up to 15%; - to not allow to retake the written module or the summative test.</p>
